

## Final Report of the IAOS2016 Nominating Committee

The IAOS Executive Committee has appointed the following members of the 2016 IAOS Nominating Committee: Mr Pali Lehohla, Ms Sabine Warschburger, Mr Shigeru Kawasaki, Ms Carmen Feijo, and Mr Stephen Penneck (ex officio). Ms Irena Krizman was asked to chair the Committee. The duty of the Nominating Committee is to make nominations for the posts of President-elect and four Executive Committee members for the election for the term 2017 to 2019 at the IAOS General Assembly to be held in Marrakech in July 2017. The IAOS Executive Committee has requested that the Nominating Committee follows the past practice of nominating a number of candidates equal to the number of vacancies.

The Nominating Committee has received 10 nominations. One for the President-Elect and 9 for a member of the IAOS Executive Committee. After email correspondence with the Nominating Committee members and in person consultation with the IAOS President Ms. Ola Awad and President-Elect Mario Palma during the IAOS 2016 Conference in Abu Dhabi, taken into account the regional and gender representation criteria, the proposal for a final list of candidates has been developed. Please find below a proposal for the final list of candidates for the posts of President-elect and four Executive Committee members for the election for the term 2017 to 2019.

1. For the position of President-Elect for 2017-2019 (President 2019-2021): **Mr John Pullinger**, National Statistician, Head of the Government Statistical Service (GSS) and Chief Executive of the UK Statistics Authority

  - **Dr. Mohd Uzir Mahidin**, the Deputy Chief Statistician of Department of Statistics Malaysia (DOSM)
  - **Mr Oliver Chinganya**, Director of the African Centre for Statistics at the United Nations Economic Commission for Africa (UNECA)

The final consultation with the Nominating Committee members was done on 19-25 December 2016. The proposal is now considered as final. A separate letter has been prepared to inform the non-selected nominees and invite them to respond to the IAOS President and President- Elect to participate in other tasks of the IAOS.

I would like to thank all the Nominating Committee members for their contribution and wish the New EXCO for 2017-2019 all the success.

Kind regards,
