- 2014 DaNang

Past IAOS Conferences and IAOS 2014
“IAOS 2014” in Brief

Date: October 8 – 10, 2014
Venue: DaNang, Vietnam
Theme: Meeting the Demands of a Changing World
Host: Vietnam General Statistics Office in cooperation with IAOS
Three main themes of the Conference:
• Meeting increasing expectations from users within resources – doing more with less
• Exploiting new technologies and new data sources – opportunities and challenges
• Building partnerships to enhance the value of official statistics

Program Committee at work
Chaired by Debbie Tse, Statistics New Zealand
Encouraging participation of non-IAOS members ...

IAOS ≠ International Association of Official Statisticians

= International Association for Official Statistics

IAOS promotes the understanding and advancement of official statistics.
IAOS membership covers a broad range of fields, not only NSOs, but also government depts., academia, educators, journalism, etc.
→ People of all disciplines are welcome.
Special thanks to Vietnam General Statistics Office!
